## An Insider's View of Rocky Flats: Urban Myths Debunked (Paperback)

---

By Farrel D Hobbs

Createspace, United States, 2011. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In a story of secrecy, criminal allegations, and intrigue, the author delivers a personal account of his professional experiences at the Rocky Flats Plant -- a government-owned facility located northwest of Denver, Colorado -- which produced nuclear weapons components for the U.S. national defense program. In the early part of his career as a research and development chemist at Rocky Flats, the author observed the diligence and camaraderie of colleagues who worked in secrecy to produce the weapons components deemed essential to our nation's defense program. Later, as an environmental manager, he witnessed the dedication of Rocky Flats workers in protecting themselves, their nearby families, and the local environment by their safe and careful processing, storage and disposal of the hazardous materials and wastes that had been used or generated in fulfilling the Rocky Flats mission. From its dawn in 1952 until the 1989 raid by FBI and EPA agents alleging environmental crimes, Rocky Flats produced plutonium triggers and other nuclear and non-nuclear weapons components considered essential to the nation's Cold War effort. From 1989 until its final...
