*****.I am a graduate engineer, work as a projectmanager and

live in Germany. I had several simultaneous projects, my mother was very sick for 2 years and together with house building and private voluntary work it was too much. I burned out and everything collapsed around me This book shows my

very private experience with burnout. It gives a view on the different phases, feelings and especially the mental development and steps. I felt helpless and lost thinking there is no way out, until I learned my lessons in rehabilitation. From thereon I had the key what and how I had to change in my

thinking and behavior. The way back was hard and not straight, but successful at the end. Thank you God! Please find some comments on the book from readers. i think they describe it best in their own words. "With this book you give the reader a very personal insight into the circumstances which led to your burnout and show how you can overcome the misery by yourself. I can see...
