

Trauma and Addiction: Ending the Cycle of Pain Through Emotional Literacy

Filesize: 3.39 MB

Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

TRAUMA AND ADDICTION: ENDING THE CYCLE OF PAIN THROUGH EMOTIONAL LITERACY

DOWNLOAD

HCl. Paperback. Book Condition: New. Paperback. 250 pages. Dimensions: 8.4in. x 5.4in. x 1.1in. For the past decade, author Tian Dayton has been researching trauma and addiction, and how psychodrama (or sociometry group psychotherapy) can be used in their treatment. Since trauma responses are stored in the body, a method of therapy that engages the body through role play can be more effective in accessing the full complement of trauma-related memories. This latest book identifies the interconnection of trauma and addictive behavior, and shows why they can become an unending cycle. Emotional and psychological pain so often lead to self-medicating, which leads to more pain, and inevitably more self-medicating, and so on--ad infinitum. This groundbreaking book offers readers effective ways to work through their traumas in order to heal their addictions and their predilection toward what clinicians call self-medicating (the abuse of substances alcohol, drugs, food, activities work, sex, gambling, etc. andor possessions money, material things.) Readers caught up in the endless cycle of trauma and addiction will permanently transform their lives by reading this book. Therapists treating patients for whom no other avenue of therapy has proved effective will find that this book offers practical, lasting solutions. Case studies and examples of this behavioral phenomenon will illustrate the connection, helping readers understand its dynamics, recognize their own situations and realize that they are not alone in experiencing this syndrome. The author deftly combines the longstanding trauma theories of Van der Kolk, Herman, Bowlby, Krystal and others with her own experiential methods using psychodrama, sociometry and group therapy in the treatment of addiction and posttraumatic stress disorder. While designed to be useful to therapists, this book will also be accessible to trade readers. It includes comprehensive references, as well as a complete index. This item ships from multiple locations. Your...
