The Prefab Bathroom: An Architectural History

By Deborah Schneiderman, Bishakh Kumar Som

McFarland & Co Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Prefab Bathroom: An Architectural History, Deborah Schneiderman, Bishakh Kumar Som, This graphic novel examines the significance of the prefab bathroom in the history of prefabricated technologies in the built environment. The cultural aspects of ritual and sanitary necessities of hygiene have added to complexities in bathroom design, and driven development of alternative construction methods, specifically prefabrication. First introduced with Buckminster Fuller's 1936 Dymaxion Bathroom, and subsequently revisited by many architects and designers, the prefab model has expanded to "pod" and "plug-in" concepts on the building- and city-scale.

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

-- **Doris Beier**

The ebook is easy to go through easier to recognize. We have studied and I am certain that I will plan to read through once again in the future. I am quickly getting a pleasure of studying a composed publication.
