Thus the Intergalactic Exploration Alliance and the Gemini Project were formed. Lieutenant Tobias Dekker is fresh out of the IEA academy and determined to be assigned to the Gemini engineering team. Putting career above all else. He knows from experience that relationships have no place in the Alliance. Commander Caden Flynn is equally determined to see the Gemini prototype take flight to uncharted space. The engine is his late father s design and he wants nothing more than to be the test pilot that breaks the next light speed barrier.
