Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: .not as yet been stamped as wholly good by the seal of Time. By stucco walls we mean those that are constructed with a metal base supported by wood and coated with a layer of cement mortar. When first completed such a building looks inviting with its light walls and its red roof, but Time soon lays its disfiguring hand upon it, soils its once light surface to a dingy gray and irremediably streaks and blotches it with dirt; cracks develop because of the shrinkage of the timbers supporting the metal base and its stucco surface; leaks appear here and there and ere long the stucco begins to drop off and cannot be renewed without unsightly spots and an indication of early depreciation, The surface of a stuccoed frame house suffers less in a dry than in a moist country, but some dampness is constantly being transmitted by the stucco to the metal lath and the rusting process of the latter is slowly but surely going on. In many instances the metal lath rusts and stains the stucco--in others it rusts away entirely and the stucco drops off. When this occurs, patching is impractical, and the only remedy is to re-lath and restucco the entire surface. The advocates of the stuccoed house often point, with assurance, to the permanency of the stuccoed buildings of Europe. They neglect to mention the fact that the only permanent stucco work of the Old World is that which...
