

Transforming the Reserve Component: Four Essays (Paperback)

By Hans Binnendijk, Michael J Baranick, Jr Raymond E Bell

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Transforming the Reserve Component: Four Essays contains four essays on various aspects of the Reserve Component. We publish it at a time when Reserves are serving overseas at historically high rates and when new missions like homeland security demand their attention. In these essays, the authors explore ways in which the Reserve Component might be transformed to face these challenges. The first essay calls for a fundamental restructuring of the Reserve Component in light of the largest mobilization since the Korean War, which has been fraught with problems in terms of combat readiness as well as pay, morale, and retention. Hans Binnendijk and Gina Cordero argue that a high-level national commission may be needed to design and gain support for that restructuring. In the second essay, Stephen M. Duncan calls for a complete re-thinking of U.S. security requirements and the related force structure, with an emphasis on the homeland security mission. In the new security environment, the American homeland needs to be considered as part of the battlespace. Duncan explores which conventional and homeland security missions should...
