The Earth's Motion of Rotation: Including the Theory of Precession and Nutation (Classic Reprint) (Paperback)

By C H H Cheyne

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Earth's Motion of Rotation: Including the Theory of Precession and Nutation In offering to the student a treatment of the Problem of the Earth's rotation somewhat different from that which has been usually given in elementary text-books, a few words of explanation are necessary. The first part consists of an application of the method of the variation of elements to the general problem of rotation. That the formulas for calculating these elements are identical in the motions both of translation and rotation, appeared so remarkable, that it might be well to present the latter in a form easily accessible. As far as I am aware, an elementary investigation of these formulae has not yet been given: in attempting to supply this, I have adopted a method somewhat similar to that which I have given for the corresponding equations of the motion of translation, in an Elementary Treatise on the Planetary Theory. The striking analogy, thus developed, between the solutions of problems, in appearance so dissimilar, may, I hope, lead to a more...
