In the previous book, *The Year of Miss Agnes*, its 1948 and a new teacher comes to teach in the tiny Athabaskan village on the Koyukuk River in Alaska. Ten-year-old Fred tells why Miss Agnes is the best teacher they've ever had in their one-room school, and different in every way. In the sequel, *Miss Agnes and the Ginger Tom*, their wonderful teacher is back. And she's brought a cat, the first they've ever seen. But how long will she stay? Miss Agnes has arranged for her extraordinarily gifted student, Jimmy Sam, to go away to a college prep school outside. If he can pass the test. Miss Agnes starts Jimmy on a rigorous program of study for the test and Fred and the others learn right along with him. The whole village is part of Miss Agnes school. She's brought boxes of books and soon everyone in town is reading something from the school bookshelves. And she's brought a movie projector so the village people can see movies for the first time. The village anxiety increases as...

### Reviews

*Great electronic book and useful one. Better than never, though I am quite late in starting to read this one. You can expect to like the way the author composes this ebook.*

*It is in a single of my favorite pdfs. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*
